

**No Rezoning!**  
**Save Our Neighborhoods!**  
**Starmount Forest – Hamilton Lakes**

On September 13, 2010, the Zoning Commission will consider a request to rezone approximately 2.5 acres at the southwest corner of Friendly Avenue and Holden Road to allow Conditional-General Office- Moderate Intensity development on the site.

**Our neighborhoods oppose this!**

**This would begin the encroachment and intrusion of business zoning and "spot zoning" into a totally residential area. If this zoning is allowed at this corner then where does it stop down Friendly and Holden Roads?**

We need you to work together with your neighbors to help keep your neighborhood residential and not allow "business/commercial creep" & "spot zoning" into a totally residential area. We must work together NOW to stop this rezoning and prevent the beginning of a trend that will erode the edges of our single family residential neighborhoods.
